

QUOTES DONUT

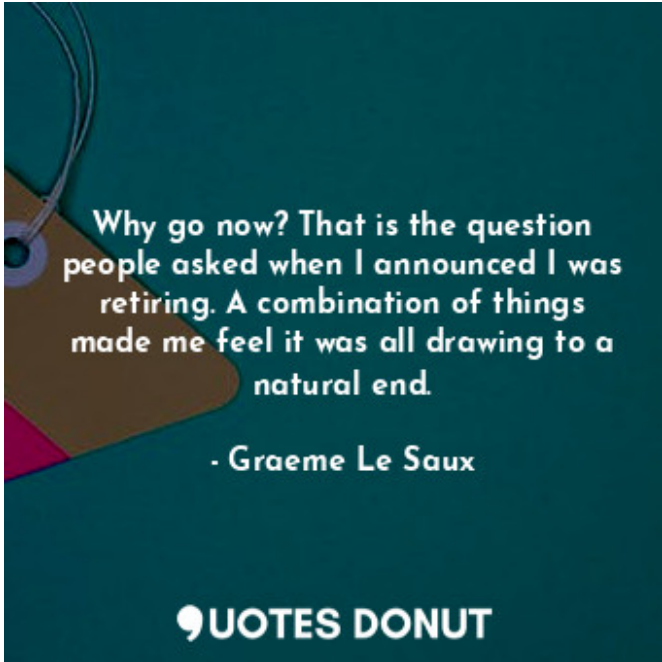

Quotes By Graeme Le Saux

A photograph of a giraffe in a savanna landscape, partially obscured by a semi-transparent grey overlay. The giraffe is facing left, and the background shows some trees and a hazy sky.

The first year I sold a photo to was a lady who thought I was a chef, for some reason. I've no idea why.

QUOTES DONUT

An abstract background with teal, brown, and pink geometric shapes. A white circular element with a grey ring is visible on the left side.

Why go now? That is the question people asked when I announced I was retiring. A combination of things made me feel it was all drawing to a natural end.
