Quotes By Jacques Yves Cousteau

I believe that national  
sovereignties will shrink in the  
face of universal interdependence.

QUOTES DONUT

The road to the future leads us  
smack into the wall. We simply  
ricochet off the alternatives that  
destiny offers. Our survival is no  
more than a question of 25, 50 or  
perhaps 100 years.

- Jacques Yves Cousteau
